As we celebrate our 30th Anniversary I am proud to say that because of the dedication of so many people, Alternatives For Children has become a leader in providing quality care to all children, but especially to those who need it most, at the most critical time in their development. I consider myself so privileged to have been a part of the family at Alternatives For Children; a wonderful school, but more importantly, a place and a people that has been there for so many families. We invite you to join with Alternatives For Children staff, alumni, and parents, and our Board of Trustees in celebrating this tremendous milestone and our future!
